

U.S. Patent Appl. No.: 10/588,078  
Supplemental Preliminary Amendment dated: September 12, 2007  
Reply to OA of: April 13, 2007

**REMARKS**

Applicants have amended the specification and the claims in the present application to better define the invention taking into consideration the outstanding Official Action. Applicants submit that no new matter is introduced.

An early action on the merits is now believed to be in order and is most respectfully requested.

Respectfully submitted,  
BACON & THOMAS, PLLC
